## Application for Agency Admission Program

In order to assist agencies with clients that want to visit our gallery, we have established program for agency admission. Agencies that serve at-risk clients are encouraged to pre-purchase admission passes in the amount that best suits their situation. Please direct questions to Beth Demke, Executive Director.

### Eligibility Requirements for Agency Admission Program:

- Available to community agencies, not to individuals. Must provide proof of nonprofit status with application.
- Agency must serve at-risk clients, children or adults, in an out-of-school setting.
- At-risk clients are defined as individuals who are exposed to factors that may increase their tendency to require assistance or intervention for success, and who have been placed, voluntarily or otherwise, in the care of community agencies to obtain needed assistance or intervention.

### Conditions of Agency Admission Program:

- Cost based on number of admission passes requested
- Available for use by any Agency representative when bringing clients to exhibit gallery
- Admission passes will be provided – identification will be required at admission desk
- May be used only during regular gallery hours
- Agency membership passes will expire one year from date of purchase
- Agency visitors without admission passes will be charged regular admission rates.
