STEM All-Star nominations open

North Dakota students in grades 1-12 eligible

The Bismarck Larks have teamed up with MDU Resources and Gateway to Science to bring STEM education to the baseball field.

Every summer the Larks make it their mission to recognize six all-star students who exhibit hard work, dedication, and a commitment to using STEM to serve their school and community. Students are nominated by their teacher for their love of learning. Students in grades 1-12 attending North Dakota schools are eligible. Nominations will be accepted through April 30, 2021, at gatewaytoscience.org/stem-allstar.

- The first 25 students nominated will receive two (2) FREE tickets to Lark game on STEM Night, Saturday, August 7, 2021.
- Limit two (2) nominations per teacher.
- Each nominating teacher will be entered in a drawing for a chance to receive a $1,000 STEM grant courtesy of MDU Resources Group for STEM supplies.

The 2021 STEM All-Star students will be announced in May. Each STEM All-Star receives the following:

- Larks jersey (includes name on the back)
- 4 Larks tickets to a select game
- Recognized in the Larks STEM Night game program
- On-field recognition on STEM Night
- A Gateway to Science One-Year Student Membership
Visit [gatewaytoscience.org/stem-allstar](https://gatewaytoscience.org/stem-allstar) for more information.

**Spring STEM Spectacular April 17**

Reserves your family’s preferred time slot

Gateway to Science will host the Spring STEM Spectacular on Saturday, April 17, from 1 - 4 pm. Activities scheduled are:

- Solve the Crime with Forensics
- Lunar Landing Moon Game
- Fun With Physics
- Toddler Area
- Reservations required (see link below)

The Spring STEM Spectacular is an indoor event. Masks will be required of all attendees ages three and older.

**Reservations for 1-hour time slots for your family will be required.** Reservations can be made for three time slots: 1-2 pm; 2-3 pm; or 3-4 pm. Submit your reservations [HERE](https://gatewaytoscience.org/stem-allstar).

All STEM Spectacular activities are FREE. The regular Gateway to Science exhibit gallery admission for non-members is $6/person during the special event hours.

**Thank you!**

Donations and pledges January-February 2021

Gateway to Science recognizes and thanks our January/February donors as we begin a new year. We are grateful for your continued support!

**Gateway to Science on the Go**

STEMzone events in Tioga and Selfridge

Gateway to Science on the Go is indeed back on the go! Tioga Central Elementary School and Selfridge Public Schools recently hosted STEMzone events for their students.
Look for our van in Hebron, Bowbells, and Lincoln in the coming weeks.
