Spring STEM Spectacular April 17
Spring into Summer Online Auction
WANTED: Student Center Guides
Maker Time at April 24
STEM Saturday
TWO Summer STEM Spectacular events

Spring STEM Spectacular April 17
Reserve your family’s preferred time slot

Gateway to Science will host the Spring STEM Spectacular on Saturday, April 17, from 1-4 pm. Activities scheduled are:

- Solve the Crime with Forensics
- Lunar Landing Moon Game
- Fun With Physics
- Toddler Area
- Reservations required (see link below)

The Spring STEM Spectacular is an indoor event. Masks will be required of all attendees ages three and older.

Reservations for 1-hour time slots for your family will be required. Reservations can be made for three time slots: 1-2 pm; 2-3 pm; or 3-4 pm. Submit your reservations HERE.

All STEM Spectacular activities are FREE. The regular Gateway to Science exhibit gallery admission for non-members is $6/person during the special event hours.

Spring into Summer Online Auction
Opens for bidding at noon on Saturday, April 10

We are excited to announce a new event to support our critical mission, the Spring into Summer Auction.
Register & Bid
Open for bids
April 10-16

Register and bid at https://gateway.cbo.io. If you were registered for our Einstein on Wine event in November 2020, you are registered for the Spring into Summer auction as well.

You are invited to an Auction Preview from 5:30-7 pm on Thursday, April 15th to see the Spring into Summer action items up close and in person. There is no cost to attend the preview, families are invited, and the gallery will be open. Join us at Gateway to Science to browse the auction items up for bid and check out the new exhibit Trees: Standing Against the Wind.

WANTED: Student Center Guides
Join the Gateway to Science team

We’re hiring! Gateway to Science is accepting applications for part-time Student Center Guides.

Center Guides are the face of Gateway to Science. They are the first representatives of the science center that our visitors meet and with whom they interact. It is important that a person in this job is welcoming, kind, fun and friendly. This position is for high school (minimum age of 16) and college students.

Please review the job description, then complete and submit the student employment application to be considered for employment at the Gateway to Science.

Maker Time at April 24 STEM Saturday
Sign up for a Saturday afternoon of creativity

Experiments, challenges, and just plain fun! STEM Saturday Workshops are open to students in grades 1-5. The workshops run from 1:00-3:30 pm.

The April 24th workshop is Maker Time. A variety of tools and supplies will be available for participants to use to design and create. Use a template or instructions, or dream up something of your own.
Cost for Gateway to Science members is $15 and $20 for nonmembers. Space is limited and registration is required. REGISTER at gatewaytoscience.org/stem-saturday.

Questions? Contact the Gateway to Science office at 701-258-1975.

**TWO Summer STEM Specacular events**

Planning for June and August underway

Mark your calendars now for TWO Summer STEM Spectaculars: June 26 and August 21.

The free family events will be held outdoors at Gateway to Science. The line-up is looking great so far with drones, rockets, Clark & Merifeather from the Bismarck Larks, Metro Area Ambulance Service, Mo’s Sno Shack, and more!

The Summer STEM Spectaculars will run from 1-4 pm with a members-only preview at 12:30 pm. Look for more details soon.

Please visit our website at www.gatewaytoscience.org.
